While volunteering at Bread for the City, using our facilities, participating in affiliated off-site activities, working on our roof, or working at our orchard, safety is of the utmost importance. This disclaimer is required before volunteer service:

I hereby release and forever discharge Bread for the City (BFC) from any claim whatsoever which arises or may hereafter arise on account of any first-aid treatment or other medical services rendered to me, minors in my care, or others in connection with an emergency event during my tenure as a volunteer with BFC.

I understand that the services I provide to BFC may include activities that may be hazardous to me. As a volunteer, I hereby expressly assume the risk of injury or harm from these activities and release BFC from all liability for injury, illness, death, theft, or property damage resulting from the services I provide as a volunteer or occurring while I am providing volunteer services. **I am not an employee of BFC, and I have no expectation of present or future compensation, gifts, favors, or wages for my voluntary service.**

My participation in organized activities may be of a strenuous and/or physical nature. I am aware of the risks inherent in the performance of organized physical activity, and I assume those risks. I am in good health and proper physical condition to participate in organized physical activities.

I do not exhibit behavioral or other conditions that would interfere with my ability to participate in volunteer service. If I need accommodation for a disability or a language interpreter, I will make a request to the volunteer engagement staff prior to my arrival for volunteer service, so that proper arrangements can be made.

If I visit or serve on a rooftop garden, I will conduct myself in such a manner as to reduce the likelihood of accident or injury. I will follow all rooftop garden rules, use equipment properly, and maintain awareness that rooftop gardening may present additional risks. I will avoid roof edges. I will not run. I will not endanger others through pushing or other physical behavior. I will only engage in behavior that helps to ensure the safety of all.

Please note that both BFC centers may maintain *beehives* on their rooftops. There are also beehives at our orchard. If you are allergic to bees/bee stings, please notify BFC's staff before engaging in service activities. I acknowledge the existence of bees, and I do not hold Bread for the City responsible for any encounters.

**Photo Release:** I grant and convey to Bread for the City all rights, title, and interests in any and all photographs, images, video, or audio recordings of me or my likeness or voice made by Bread for the City in connection with my providing volunteer services to Bread for the City. The organization will assume "yes" unless you mark "no" here:    **NO**
