Bread for the City Employee Benefits

At Bread for the City, we have a deep appreciation for each of our employees. Our staff chooses to commit their gifts and skills to serve our clients, and in gratitude, we are committed to ensuring the wellbeing of our staff. The BFC core values of dignity, respect, service, and justice guide all of our work, including the way we treat our employees.

The BFC work environment is positive, supportive, and oriented toward a healthy work/life balance. We offer our employees a casual and upbeat work atmosphere, opportunities for flexible scheduling, and generous annual leave and sick leave. Additionally, each position at BFC provides daily opportunities to engage with the “why” behind our work.

Please review the following information about our employee benefits. If you have any questions, do not hesitate to contact Edie Oliver, HR Director, at eoliver@breadforthecity.org.

Health Insurance

Health insurance is available to all full-time and part-time (30+ hours per week) employees and their dependents through Kaiser. Employees have two options for health insurance plans: DHMO Select & Flexible Choice. The DHMO plan is available at no cost to the employee. Employees will pay 10% for dependents. If employees wish to participate in the Flexible Choice plan, they may upgrade to that plan by paying the difference in cost. Bread for the City provides a PPO (Low) plan through Lincoln. This plan is available at no cost to employees. If employees wish to select the PPO (High) plan, they can upgrade for a monthly charge. Please see the attached packet for detailed information on health insurance options.

To support you even further, if you are enrolled in a Kaiser health plan, we will provide you with a reimbursement of up to $10,000 per family in order to seek Behavioral Health services outside the Kaiser network.
